Rapid antigen testing will also be administered
Saturday, 5 March 2022 from 9am to 7pm
Northcrest Carpark, Maich Road, Manurewa

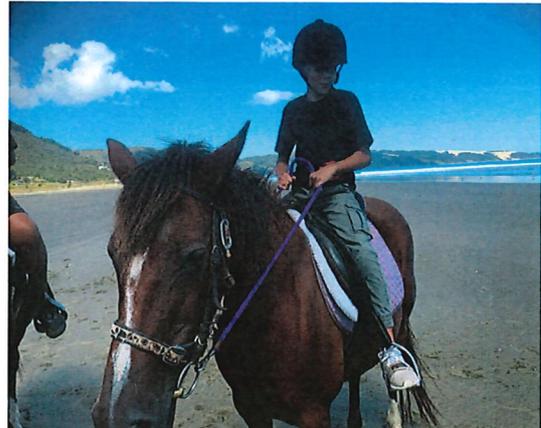

As predicted we are in the middle of a massive outbreak of Covid Omicron. Our sincere wishes are that this virus does not affect your family too badly. We are thinking about the many families who have to go into isolation because a family member has tested positive for Covid.

School remains open but because of so many staff testing positive and isolating at home, we have needed to combine classes to ensure that your child's learning continues.

Here's a handy guide on isolation for you.

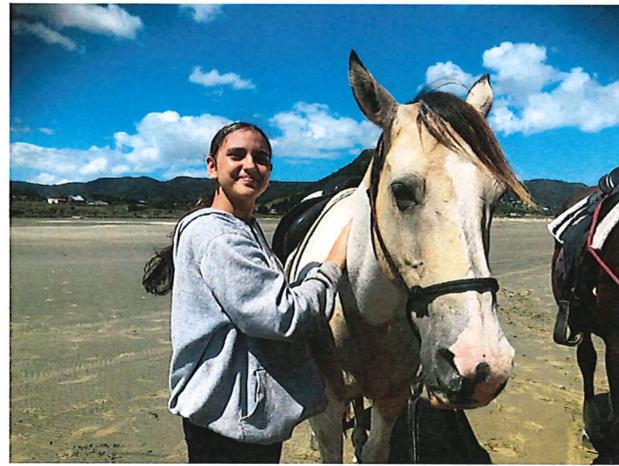

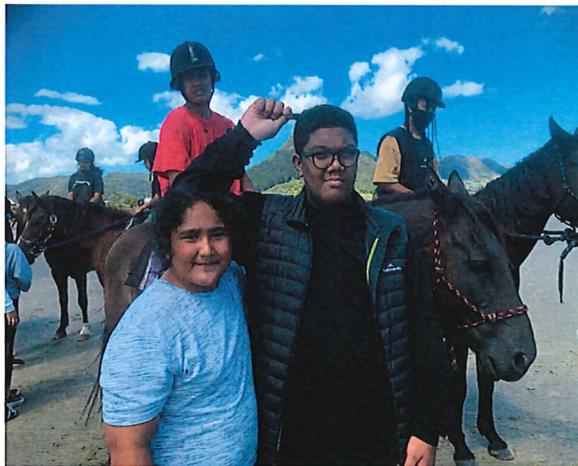

AHIPARA YEAR 8 HAERENGA KI AHIPARA 2022

My highlight was getting to know the locals at Tapa Bay. Being able to swim in the Bay where the water was calm and smooth, the sun sits on my face with a pleasant warm touch. 1,2,3, I jump into the air, as I hit the surface of the water with great force, a huge wave erupts into the air. The locals go wild, roaring, chanting and asking for more. Hours later, we are back at our accommodation, tired and 5 seconds away from sleeping. Unfortunately, Matua Dudley had other plans for us. It was time to help cook dinner.

Rm 22

Gathering Kai Moana wasn't new to me except for the fact that this time I was doing what I love out of Auckland. It's the thrill of being able to go out into the water and gather kai moana for my classmates and be good at it. We had Matua Ian and Matua Eric joining us for dinner later that night so it was important for me to provide them with some good kai moana. Throughout this time, I realised how fortunate we were to have access to all this Kai Moana. I had a blast, memories to cherish forever.
