## PRINCIPAL'S MESSAGE

A new web space on [education.govt.nz](http://education.govt.nz) houses practical videos, activities and resources for supporting learning that are easy to understand, empowering you to take an active role in your child's education.

An introductory video that walks you through the content is available on the website.

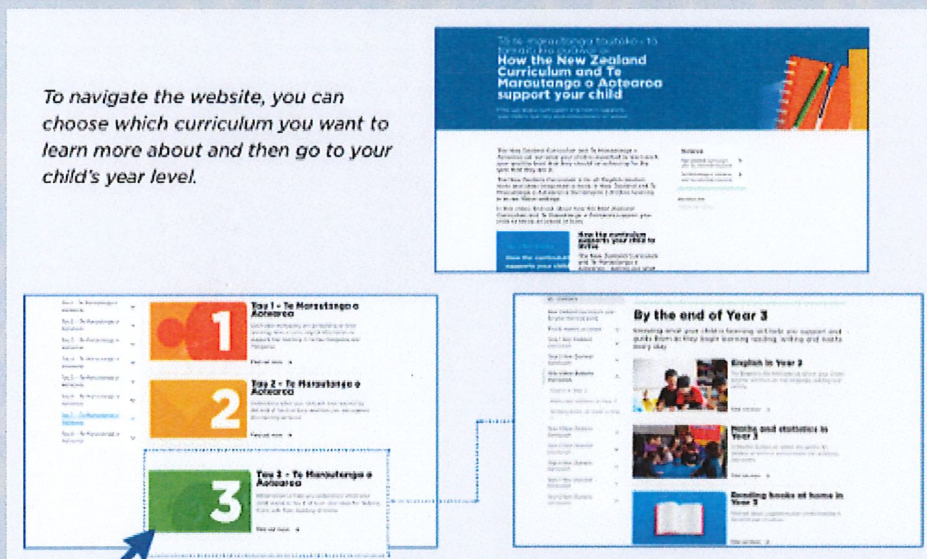

With the launch of the 'parent-friendly' versions of both our national curricula, you will know exactly what your child is learning, why it's important and when they'll be learning it, so that you can actively support and complement your child's learning at home and have meaningful conversations with your child's teacher or kaiako.

## Netball Season is here

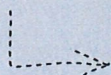

What a fantastic day for our Years 5–7 Netball Grading Day! With 10 teams taking part and the sun shining, it was the perfect day for netball. We had a great turnout with plenty of teachers and Mrs Dawson on the sidelines cheering on all our teams.

It was awesome to see so many tamariki giving it their all on the court, showing great sportsmanship and team spirit. There were some outstanding results across the board, and we're proud of the effort every team put in.

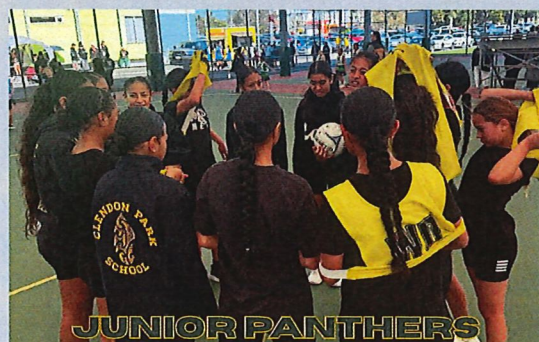

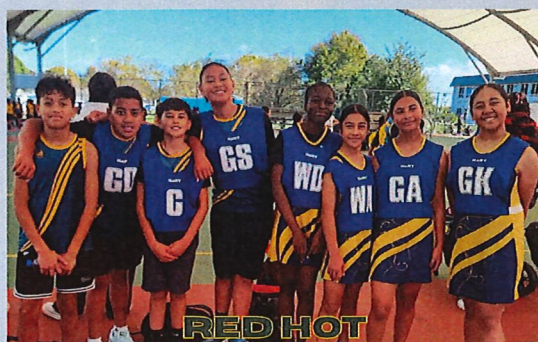

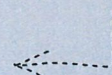

Netball Manurewa will now use the grading day results to place teams into their appropriate grades for the season. Weekly game draws are released every Wednesday and will be posted on the "Clendon Park School – Sports Page". If your child is in a netball team and you're not yet a member of the page, make sure to join so you don't miss any updates!
