## PRINCIPAL'S MESSAGE

### Board Elections

#### What are the board elections?

The trustee elections are the biggest democratic event in New Zealand, with more than 14000 parent-representative seats needing to be filled around the country. These elections are held at all state and integrated primary, intermediate and secondary schools. The board is made up of a principal, staff representative, proprietors in integrated schools, student representative in some school and between three to seven parent-elected representatives.

#### Could I stand for the Board?

##### Yes if you:

- \*Care about your child's education and the education of all children at the school.
- \*Work as part of a team
- \*Are willing to share your skills and experience

#### What would I be responsible for?

Boards choose how they want their school to develop. They ensure that students are achieving, that the school complies with the law and is a responsible employer. A significant role for the board is strategic planning, making plans for the school's future.

##### The Board is responsible for:

- \*Setting and reviewing the school charter
- \*Monitoring the annual plan
- \*Developing and reviewing the general policy direction
- \*Monitoring and evaluating student learning outcomes
- \*Assessing the performance of the principal
- \*Acting as good employers
- \*Providing financial stewardship
- \*Enhancing the resource base
- \*Managing risk
- \*Building and maintaining community support
- \*Fulfilling the intent of the Treaty of Waitangi by valuing and reflecting New Zealand's dual cultural heritage.

#### What would I have to do?

Boards make crucial decisions about the management of our schools.

##### As a trustee you will:

- \*Evaluate educational achievement at your school
- \*Make decisions that support the teaching and learning in the school.
- \*Influence the school's direction
- \*Make decisions that take into account all students

#### You play a big part in the school as a Board member by:

- \*Identifying the vision for your school
- \*Delegating powers to the principal
- \*Ensuring the school is communicating effectively with the community
