## PRINCIPAL'S MESSAGE

### Road Patrol Duties are becoming a nightmare for Staff

#### Parking at the School Gate

We ask all parents and caregivers to park safely and respectfully around the school gate. Unsafe parking puts our students at risk and creates unnecessary congestion. Please use designated areas and follow road rules at all times to ensure the safety of our tamariki.

#### Respect for Staff

It has come to our attention that some parents have threatened to 'beat' up our duty teachers when they have been asked to move their vehicles which are illegally parked. Teachers have been sworn at and had inappropriate remarks made to them. This behaviour is totally unacceptable. Our teachers and staff work really hard to keep your child safe when they are walking home and deserve to feel safe in their workplace. We ask that all communication with staff be respectful.

Together, we can maintain a safe and positive environment for our students staff and wider school community.

### Board Elections

In the next few days you should receive your voting form in the mail. Voting forms have been sent to the address on your child's enrolment form.

**Voting closes at 12pm on Wednesday 10 September**

### Vaping at school

We are becoming increasingly concerned about vaping at school.

Please be reminded that vaping is strictly prohibited on our school grounds. Any student found with a vape will have it confiscated and appropriate disciplinary action will follow.

This will involve a phone call to parents asking them to collect their child from school and a stand down for the student. We ask for your support in reinforcing this message at home. Vaping is harmful to young people and together we need to ensure our school remains a safe and healthy environment for all.

### Thank You for Supporting Daffodil Day!

A heartfelt thank you to everyone who supported this important kaupapa. Daffodil Day in New Zealand is an annual campaign led by the Cancer Society to raise vital funds for cancer research, support services, and prevention programs.

Your generosity and participation helps make a real difference in the lives of those affected by cancer. Together, we are creating hope and supporting the fight against cancer.

Thank you once again for standing with us on this special day.

Each student performed with confidence and pride, showcasing their talent and making our school shine. A special congratulations to Katoa, who placed third in the Year 5/6 Rap category! # CPS NETBALL SEASON 2025

A massive congratulations to all our Clendon Park teams who were represented at the Manurewa Netball prize giving. It was inspiring to see our kura so well represented and to celebrate some great results across the grades.

The GM of Manurewa Netball mentioned she wanted to come and see why our teams were so strong – my answer was simple: the key to success is our volunteers. Rain or shine, they show up for our tamariki, and seeing their contribution recognised today was amazing. It was also wonderful to see our ex-students thriving in the umpiring space, showing the pathways we are building for the future.

We want to give a big thank you to all our volunteers, without you we wouldn't have as many teams or as many tamariki participating.

A special acknowledgment to Whaea Maaria, our Netball Coordinator, for the mahi she puts in behind the scenes from organising teams and uniforms to keeping everyone updated and supported. Your effort makes a big difference to our programme, and we appreciate all that you do.

It was a proud moment to see our tamariki standing tall in their Clendon Park gear, showing pride in our kura and living the values of hard work and resilience.
