ANZAC DAY 2026

Kia Maumahara Tatou Kia Ratou - We Will Remember Them

Anzac day is the day Australia and Aotearoa pause, get a bit emotional and remember the soldiers from the Gallipoli Campaign in World War 1.

This pukapuka is a comic based in 1915 when Aussie and NZ troops called ANZACs landed at Gallipoli thinking it'd be a quick mission... It was rather not, they pulled up expecting an easy win like a first round in Fortnite, but instead it turned into a massive survival match with no respawns. Things took a turn pretty quick but they demonstrated amazing bravery, kotahitanga, and tuff squad energy the whole way through.

April 25th is when people wake up at a ridiculous time (just like my Nan) sit around for a couple of hours and chew on ANZAC bickies while also reflecting on our brave soldiers. There are also parades where veterans march like absolute legends!

It is a mix of history, respect, early mornings, and snacks. It's about remembering the sacrifices and hard mahi our soldiers served in justice for.

Room 20 (Kahu-TWA)

My opinion of ANZAC is that it is one of the most important and meaningful times in Australia and New Zealand because it allows us to truly reflect on the courage, sacrifice, and dedication of the soldiers who served our countries in times of war.

These men and women faced extreme fear, hardship, and uncertainty, yet they still chose to stand up for their nation and for others. Many never returned home, and many more were forever changed by their experiences. ANZAC Day ensures that their bravery and sacrifices are never forgotten.

I think ANZAC Day is also powerful because it connects us to our history in a real and emotional way. It is not just something we learn in books, but something we feel through stories, ceremonies, and remembrance. It reminds us that the freedom and peace we have today came at a very high cost. Because of this, it encourages us to be more grateful and to never take our lives or rights for granted.

Another important part of ANZAC Day is the way it brings people together. Across cities, towns, and schools, people stand in silence, attend dawn services, and share stories of those who served. It creates unity and respect between generations, linking the past with the present. It also teaches young people values like courage, loyalty, sacrifice, and resilience, which are still important in my world today.

Overall, I believe ANZAC Day is about remembrance, respect, and reflection. It is a time to honour the past, appreciate the present, and think carefully about the importance of peace in the future.
