## PRINCIPAL'S MESSAGE

### WINTER WELLNESS AT OUR SCHOOL:

As winter settles in, it is a timely reminder for us to take care of our health and wellbeing. The colder months often bring an increase in seasonal illnesses and by working together we can help keep our children healthy, happy and ready to learn.

At school, we continue to encourage good health habits such as regular handwashing, covering coughs and sneezes, staying active and making healthy food choices. These simple actions can have a big impact on reducing the spread of illness.

We also encourage students to come to school dressed warmly each day. A warm jacket, appropriate footwear and extra layers can help students stay comfortable while enjoying outdoor learning and play opportunities.

Good wellbeing extends beyond physical health. Winter can be a challenging time for some children, so we encourage families to prioritise routines that support overall wellbeing, including regular sleep, healthy eating, physical activity and quality time together.

If your child is feeling unwell, please keep them at home to rest and recover. This not only supports their own health but also helps protect the wellbeing of others in our school community.

Thank you for your ongoing support. By working together, we can ensure that our school remains a healthy, caring and positive place for all students throughout the winter season.

Stay warm, stay well and take care.

### DENTAL SERVICES:

We are pleased to confirm that an Auckland Regional Dental Service (ARDS) Mobile Dental Unit is visiting your child's school from Monday 15 June 2026, We plan to visit into term 3.

A priority booking model will be used to offer dental appointments, these will include:

- Children where the need for dental treatment has previously been identified
- Children who may be experiencing pain
- Those children who have been waiting the longest for a dental examination
- Children who are identified as having higher dental needs

Parent/caregivers of children on our initial priority list will be contacted via email in the first instance to advise of our intent to see their child.

If you have not received notification your child is scheduled to be seen and your child is in pain or you have concerns about your child's teeth, please phone 021820789 to speak with one of our dental team.

If you would like to update any of your child's details, including consent status, medical history or contact details, you can contact us via:

- By visiting the Mobile Dental Unit when it arrives at your child's school
- Email: ARDS BrownsRoad (WDHB) ARDS.BrownsRoad@waitematadhb.govt.nz
- Phone: 021820789 or 0800 TALK TEETH (0800 825 583)

SAMOAN LANGUAGE

## MAHURI

This week in class to celebrate Samoan Language Week we learnt how to make traditional Samoan coconut cream.

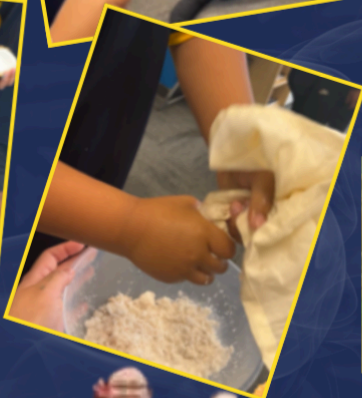

We learnt how to drain and crack coconuts, we learnt how to scrape the coconut with the penu (valu the popo) and learnt how to squeeze it into coconut cream.

We used our coconut cream to make **koko alaisa** for our whole class.

## TUTU'ALOGA DAY

Tautua mo Tupulaga spent a day playing Samoan inspired games. From egg race, tug-of-war, BINGO to an amazing race, where it was a battle between our houses cooking up a scrumptious lunch. The winners this year were:

- Rimu - best tropical drink
- Totara - best sapaasui
- Tawa - best leaders
- Miro - best dressed

# O LE SAMOA

AGE WEEK

## OUR PURPOSE

Samoan Language Week is a special time to celebrate the beauty of the Samoan language, culture, and traditions. This year's theme is "E afua mai i mauga tetele, manuia o le nu'u". It encourages us to value our heritage, strengthen our connections with others, and take pride in who we are. Through the theme, we can learn the importance of respect (fa'aaloalo), kindness, family (aiga), service (tautua), and community. It reminds us that language is more than words, it carries our history, values, and identity. By learning and using Samoan, we help keep the culture strong for future generations.
