PRINCIPAL'S MESSAGE

A Message of Gratitude

After 26 wonderful years as Principal of our school, I have made the decision to retire from my role at the end of this term.

This has not been an easy decision, as this school has been such a significant part of my life. Over the past 26 years, I have had the privilege of working alongside dedicated staff, supportive Boards of Trustees, wonderful families and most importantly generations of amazing students.

Together, we have celebrated countless achievements, navigated challenges, embraced change and built a school community that I am incredibly proud of. The relationships, memories and experiences I have gained throughout my time here will stay with me forever.

I would like to sincerely thank everyone who has been part of this journey. Your support, kindness, trust and commitment to our school have made my role both rewarding and enjoyable. It has been an honour and privilege to serve this community and to watch so many young people grow, learn and succeed.

While I am excited about the opportunities and adventures that lie ahead, I will always hold a special place in my heart for this school and the people who make it such a remarkable place.

Thank you for allowing me the privilege of being your Principal. It has truly been one of the greatest honours of my life. My heartfelt gratitude to you all.

For the next two terms Dudley Adams will take over the role of Principal so I know you'll all be in the very best of hands. Don't hesitate to contact Matua Dudley with any issues that may arise.

Kapa Haka Book Launch

Awesome time celebrating these inspirational tamariki from Te Whānau Awhina this week.

We were proud to launch Te Kapa Haka, a book featuring young writers sharing their memories, thoughts, and inspirations about kapa haka. Published by Reading Warrior and written alongside David Riley, the book showcases the voices, experiences, and cultural pride of these talented students.

It was a special occasion to celebrate their hard work and achievement at the kura. Ka mau te wehi!

Samoan Speech Competition

Congratulations to all of our students who took part in this year's Samoan Speech Competition. We are incredibly proud of the effort, confidence, and commitment shown by everyone who participated.

A special congratulations to Clare, who placed second, and Sale, who placed fourth. Both students have qualified for the National Samoan Speech Competition later this year.

We wish them all the very best as they prepare to represent our school on the national stage!

Year 5-6 Boys Rugby League

🏆 Champions! 🏆

A huge congratulations to our Year 5-6 boys rugby league team for winning the MPSSA Rugby League Tournament!

A special thank you to Coach Carter (Matua Carter) for his hard work and dedication in preparing the boys. Finishing 1st out of 15 schools is an outstanding achievement and a proud moment for our whole school community.

Well done, boys — you represented our school with pride and showed what can be achieved through teamwork, commitment, and heart.

Boys Mentoring Program

The boys mentoring programme provides a strengths-based, one-to-one mentoring relationship for students in Years 6-8.

Over five flexible sessions, students work with Scott to build confidence, develop emotional awareness, strengthen problem-solving skills, and foster a sense of belonging and connection.

The programme focuses on whakawhanaungatanga, identifying strengths and interests, understanding and expressing emotions, developing coping strategies, and setting positive future goals.

Do you have a sore throat?

If you do, please visit your Mana Kidz Nurse at school or visit your GP
This is how we can treat it...

FOR MOST PEOPLE

Antibiotics are not necessary, as sore throats are often caused by viruses and get better on their own.

SUPPORTIVE CARE (FOR ALL SORE THROATS)

- Rest, fluids, and throat soothing remedies (lozenges or warm salt water gargles)
- Pain relief like paracetamol

WHEN TO TREAT WITH ANTIBIOTICS

Antibiotics are recommended for people at high risk of rheumatic fever who test +ve for Group A Strep.

TYPICAL ANTIBIOTIC TREATMENT

- Bicillin or Amoxicillin is usually prescribed. Standard 10 day course or injection to fully clear the bacteria and prevent complications even if symptoms improve earlier!
